

Central Professional Improvement Committee Meeting of December 8th, 2009

Split Classes

The School Board has received the amount for split classes at the elementary level.

A total of \$27,400 - which is \$507 per class.

Review of Requests

The committee approved all requests for major conferences.

Four requests for networks were also approved:

- Everything is Better on the Smartboard
- Cercles littéraires
- Philosophie à travers la littérature
- Art Creation

Teachers' Convention

The second "Teachers by Teachers Convention" will be held on February 8, 2009 at Pierrefonds Comprehensive High School. It will be a full day, which will be one workshop in the morning and one workshop in the afternoon.

There will also be about ten exhibitors; give-aways, door prizes. Lunch will be provided, coffee and muffins in the morning. Teachers will be able to register on Portal in January. We will also send the program in hard copy to every school in January. New Teachers will also be invited to assist at a workshop with Reggie Melrose in the morning; she will be speaking in the auditorium. Reggie Melrose will also give a workshop in the afternoon.

Until then, it would be very helpful if you could talk about the convention in your school and at your next staff council.

Next meeting will be January 12th, 2010
