

New Teachers Committee Report

“The first Days of School” workshop was held on August 24-25 2009. The first day was a presentation by Dr. Allen Mendler “Discipline with dignity” held in the boardroom. First, second and third year teachers were invited to the presentation of Dr. Allen Mendler.

The second day was a workshop in the morning held at Pearson Electro Technology Center in Lachine for first year teachers, “First days of School” reference to Harry Wong. In the afternoon participants could visit their new school.

There was a good turnout, about 60 teachers or more. The committee will meet to review the workshop and the evaluations.
