

Central Professional Improvement Committee (CPIC)
Meeting of Thursday, January 13, 2022

DPIC Plans

Plans were received from some schools and centres and all those plans were approved. DPIC Chairpersons are encouraged to submit their plans as soon as possible if they have not done so yet.

Special Projects

Edgewater Elementary amended its plan to include the cost of materials necessary to complete the workshop. The amendment was approved.

Review of Requests

4 requests for credit courses were submitted. All were approved.

3 requests for professional development activities were submitted. One was approved even though the activity was cancelled in the event that it should eventually take place. One request was tabled, needing more information. The third request was approved.
